NAME
COMPANY

Project: EXAMPLE PROJECT

AIS Certification

Quantity	Product Description
X	X
X	X
X	X

We hereby certify that the iron and steel used to make the Rigid Steel and EMT Conduit Products manufactured by Patriot Industries for the above referenced project is in full compliance with the UL 6 Standard for ERMC-Steel, ANSI C80.1 and B1.20.1 Standards, WW-C-581 Class 1 Type A, C22.2, UL 797 Standard for EMT-Steel, ANSI C80.3, ASTM A787, and C22.1 where applicable.

The above listed products are melted and manufactured 100% in the United States of America and are processed in our Factories in Louisa Virginia, Chester Virginia, and Pasadena Texas. These products comply with the applicable provisions of the Code of Federal Regulations 23 CFR 635.410 BUY AMERICA Requirements. Furthermore, these products comply with the applicable provisions of HB 1361 Virginia Public Procurement Act; preference for goods produced in Virginia.

We also certify that the above listed products supplied to the subject project are in full compliance with the American Iron and Steel (AIS) requirements as mandated in EPA's State Revolving Fund Programs.

Thanks again for your support and let me know if I can help you in any way.

All the best,

Tom Click
